# PRESIDENT'S MESSAGE

On behalf of the Northampton District Agricultural Society Committee and Members I would like to welcome one and all to an exciting new presentation of the Northampton District Agricultural Society's Annual Show.

Our town is unique, it is filled with many century old traditions and families that have always welcomed newcomers with open arms and minds. Over my 18 years, calling Northampton my home I have had the privileged to witness the beauty and unconditional warmth, generosity and heart this town holds for one and all.

We as a team, have great foresight and dedication on how to move forward with the many challengers we will face as one entity. I am humbled to have been chosen by my peers to lead this extraordinary team in the many challengers we are bound to face together. I am thankful for the variety of experience that each and every volunteer brings to ensure an amazing day for all to enjoy.

For our 106th annual show we have dared to be different. We have implemented some new and hopefully improved restructuring by spreading the workload through a magnificent extended team of members and coordinators who have been chosen for their individuality, strengths and abilities in all aspects of personal, professional knowledge and accomplishments gained throughout their lives.

We, as per previous committees intend to show equality and respect to others and are working tirelessly to produce a smooth entry on show day for all and recommend purchasing your tickets early to help eliminate lengthy line ups to the grounds.

As per the past few years we are pleased to announce we will again host the sensory hour for those with special needs from 7am with the equestrian events commencing from 8am. We have some amazing, old and new entertainment programs this year which will be announced in the near future, so watch this space. As always, we know you will enjoy the exhibits, displays and attractions. We hope you enjoy our livestock, produce, magnificent performers, specialist stall holder wares, sideshow alley, mouth-watering foods and so much more.

Last but definitely not least: -

We the committee would like to extend our congratulations to Jordan Anthony who we have been privileged to have as our evening entertainment over the past few years, on his awe-inspiring accomplishment at America's got talent 2024 competition recently progressing through to the top Check out you-tube for his performances – Robbed I say. This young man is going places. Maybe one day in the near future we could lure him back for another performance.

# 2024 Rural Ambassador Award

## Arran Teakle

My name is Arran and I farm west of the Northampton town in Sandy Gully.

I hail from the well know Teakle family which have been farming in the Northampton area for over 120 years.

I was brought up on the family farm located west of the Northampton township in sandy gully, a farm which now specialises in the cropping of wheat, canola and lupins.

Growing up I spent most of my time outdoors on the farm working sheep, driving tractors and being shown the ropes by my father and grandfather.

I attended my junior years of schooling in Northampton prior to attending Nagle in Geraldton and then finally the WA college of agriculture - Morawa, where my love and passion for agriculture grew further.

After graduating from Morawa Agricultural College. I began an apprenticeship as a heavy diesel mechanic through AFGRI Geraldton, learning valuable knowledge on everything green.

After completing my trade, coming out as a heavy diesel mechanic and paired with my certificate in agriculture it was a no brainer to return to the farm and give it a crack, just in time as two months into my farming career cyclone Seroja struck leaving a trail of destruction but also a great start to the growing season.

Growing up my favourite days of the year were my birthday, Christmas, and the Northampton show, I can't entirely say why but I have a suspicion it could be due to the show bags full of sugar.

I remember the lead up to the show, making posters and having them on display in windows on Northampton's main drag in places like Haselby's hardware and the IGA, (back when they were right next to each other, believe it or not, times flown.)

Fast forward and after two great and a sub optimal growing season under my belt, experiencing the ups and downs of farming I have seen the importance of community during tough times.

Which led me to join the Northampton volunteer fire brigade at the start of the year.

I feel privileged to be chosen as the rural ambassador for Northampton District Agricultural Society for 2024 and I advocate in bringing the community together, especially in bridging the generational gap appearing in many small farming communities.

As the ambassador I would like to attract younger people into agriculture with events that appeal to all. This came to mind when I joined the fire brigade after a call for "young lungs".

With the many issues facing agriculture today and one of the most recent being the ban on live export, I believe that there is one common denominator which is the how we are viewed by the broader population, which therefore reflects on who runs our country and makes life easy or hard for producers.

I believe that the Northampton agricultural show is the perfect opportunity to showcase what we farmers love about agriculture and why we do what we do.

By spreading awareness, we improve how farmers are perceived by the broader population and in turn lead to a better understanding of Australian Agriculture as a whole.

The Northampton agricultural show has the potential to do all of this with help of the vast pool of volunteers at its disposal all united with a common goal in sight, 'to keep people coming back'

I enjoy supporting the Northampton show through entering my farm produce yearly, which I have taken home the LA Logan cup for grain and fodder two years running.

I am looking forward to helping the show grow as well as spread Northampton's passion for agriculture to the wider community in 2024 and onwards.

21. Pens of more than one sheep cannot be broken to enable sheep to compete in individual sheep classes. Individual sheep cannot be entered in more than one class.
22. In all classes except ring events, where a special prize is given for a class, this prize will replace the ordinary prize, or if less, the amount will be made up to the amount, as shown on the top of the section.
23. In the event of a tie for the highest aggregate points in any section, prize allocated shall be won by the Exhibitor with the most first prizes. In the event of a further tie, prize allocated shall be won by the person with the most entries in the Section, if still equal, entries over the whole of the Exhibition Hall will be counted, if points are still equal, entries in the whole of the Show will be taken into consideration.
24. In all classes, the judge has the power to change an exhibit to another class within the Section if, in their opinion, it has not been entered in the right class.
25. Where the Society's ribbon is made available the judge is expected to award it to the best exhibit in the section.
26. All livestock found vermin infested will be removed from the grounds.
27. (a) All entries received are subject to these Show Regulations and By-Laws, the Special Regulations in each Section, and to the Uniform By-Laws made under the Royal Agricultural Society Act, 1926;  
(b) The Society may refuse any entry without giving any reason therefore;  
(c) The Committee may at any time disqualify from exhibiting either indefinitely or for such a period as it may think fit, any exhibitor who has in the opinion of the Committee been guilty of any breach of these regulations, or whose conduct whether at or during any Show of the Society has in the opinion of the Committee been such that he is unfit to exhibit at any Show of the Society;  
(d) No person who has been disqualified from exhibiting at any Show of the Royal Agricultural Society of Western Australia Inc, or at any show or Society affiliated therewith, shall during the period of disqualification be allowed to act as agent, representative or servant of any exhibitor at any Show of the Society, and the exhibitor of such stock shall be disqualified;  
(e) During the period of disqualification no entry will be received from any person disqualified from the Royal Agricultural Society of Western Australia Inc, or by any Society affiliated therewith, and should an entry be accidentally accepted, it shall be deemed to be void and the entry fee will be returned.
28. The Society will be under no liability for any loss or damage suffered by an exhibitor in respect of any property exhibited by him, whether caused by or attributed to the negligence of the Society, or any of its servants or otherwise whatsoever.
29. The Society will not be responsible for any accident that may be caused through or by an exhibit or exhibitors; and it shall be a condition of entry that such exhibitor shall hold the Society blameless and indemnified against legal proceedings arising from such an accident.

# OAKAJEE ENERGY

Shaping our future with green energy

**Supporting the Northampton Community**

## ARTIST BIOGRAPHY

Founding members, the sisters Kimberley and Caroline Allison started the band back in 2018 as a duo, and since then have continually built upon their already unique sound. With a growing list of original songs under their name. Good Strife is changing the sounds of original music by producing a rock/pop/metal sound.

Kim's incredible vocals is next level, amazing crowds wherever she has sung, Caroline is the song writer and maintains the groove with her energetic rhythm guitar and add her unique vocals.

The band is now complete with the addition of some of the very best young musicians in the Midwest. Their bass player, Richard Donohue, continues to bring in his own musical styles on the bass to add to Good Strife's evolving unique sound. Zephyr is a familiar face in the music community as well as in the Champion Bay High School band. His incredible drumming skills have found its new home here with Good Strife. Finn Smith is another familiar face out there, with his versatile styles as a lead guitarist, he's brought in something incredible to Good Strife's sound.

Good Strife are currently in the process of recording their first album and can't wait to share their works with all their fans and followers, both local and across the state.

They bring energy and good vibes wherever they play.

# MISS SHOW GIRL COMPETITION

The Miss Show Girl Competition ran from 1974–1999, and was an Australia wide competition. Although some years the Society had difficulty enticing girls to enter the Quest, we have been admirably represented on numerous occasions. The Society would like to thank the girls who have proudly represented Northampton.

# COULD YOUR COMMUNITY DO WITH A HELPING HAND?

Every year, the CBH Group supports WA's grain growing communities through a range of different community projects.

Previously we've, we helped the people of Perenjori, Wellstead and North Midland put on their agricultural shows. And gave Narembeen a big hand with its new Grain Discovery Centre. We also helped the Great Southern with its Bloom Festival, supported the business women of Bruce Rock and gave Three Springs a donation towards their new child care centre. If you are a member of a group or organisation that is conducting an event or project that will benefit and provide value to Western Australian grain growers and their communities, you may like to apply for support from the CBH Group. Applications are invited three times a year in the months of January, May and September. The Grass Roots Fund is available for funding requests of up to \$5,000. If you have an event, organisation or project that matters to your community, then we'd love to hear from you. Guidelines and an application form for our Grass Roots Fund are available at [www.cbh.com.au](http://www.cbh.com.au)
